Personal data that we process:

Double R Parts processes personal data while you use our services and/or because you provide those to us. Below you will find a summary of the personal data that we process:

- First and last name
- Address
- Phone number
- E-mail address
- IP-address
- Details of your surfing habits on various websites
- Various details which you actively provide to us by creating a profile on our website, by correspondence or phone
- Details of your activities on our website
- Internet browser and device type

Exceptional and/or sensitive personal data that we process:

Our website and/or organisation has no intention to gather details of website visitors younger than the age of 16. Unless they have permission of their parents or guardian. We can not check whether a visitor is older than 16. We recommend parents to be involved in the online activities of their children, to prevent gathering of data without parental permission. If you are convinced that we have collected personal data of a minor, please contact us through support@doublerparts.nl and we will delete this information.

The aim and fundamental idea to gather personal data:

Double R Parts processes your personal data for the following purpose:

- handling of your payment
- sending a news letter, or e-mail
- being able to call or e-mail you in order to serve you
- inform you about changes in service or product range
- create an account for you
- deliver the goods to you
- Double R Parts processes data if we are obliged by law, such as tax reports

Computerised decision making:

Double R Parts makes no decisions based automated processes who can have serious consequences for individuals. This concerns decisions that are taken by computers programs or systems, without involvement of Double R Parts employees.

How long do we keep personal data:

Double R Parts does not save your data longer than strictly necessary than to realise the goals set for the purpose of collection. We keep your data for approximately 10 years after our business relation has ended, due to tax legislation.

Sharing of personal data:

Double R Parts will not sell your data to third parties and provides those only when necessary to for fill the agreement with you or any legal obligation. Companies who process your data authorised by us, will state a similar degree of protection of your data. Double R Parts remains responsible for these processes.

Cookies, or similar technology, that we use:

Double R Parts uses only technical and functional cookies and analytical cookies that do not encroach your privacy. A cookie is a small text file that is saved on your computer, tablet or smartphone during your first visit. The cookies that we use are necessary for the technical function of our website and your users comfort. They enable the website to function properly and remember your preferred settings. Beside this we can optimise our website. You can sign out for cookies by changing the settings of your internet browser. You can also delete all previous settings of your browser.

Checking details, change or delete:

You have the right to review your personal data, correct or delete. Beside this you have the right to sign out or oppose against the processing of your data by Double R Parts and you have the right of data portability. This means that you can request us to transfer your personal data to a defined organisation. You can address such a request to check, correct, removal, portability of your data or a request to end the permission or objection of the processing of your personal data to support@doublerparts.nl. We will react as soon as possible on your request, but latest within 4 weeks. Double R Parts would like to bring under you attention that it is always possible to file a complaint with the supervisor, de Autoriteit Persoonsgegevens: <https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons>

How do we secure personal data:

Double R Parts takes the protection of your personal data very seriously and takes the required measures to prevent abuse, loss, unauthorised access, unauthorised publication and unauthorised changes. If you have the impression that your data is not well protected or if there are signs of abuse, contact our customer service through support@doublerparts.nl
